Please remember your horses would need to be available for at least a 4 day period between September 25, 2010 and October 10, 2010. You will be responsible for a presentation set to music at least 30 minutes in length including the time to enter and exit the ring. The theme of the Presentation is “The American Saddlebred – The Horse for those 7-70”. A video of your presentation will be requested if your barn is contacted to be a participant.
