

BROODMARE HALL OF FAME

The Broodmare Hall of Fame was established in 1972 as a project of the Southeastern Futurity. ASHA accepted responsibility for the BHF in 1981 and established a committee, consisting of Jim Aikman, Mae Condon, Carl Fischer, Don Stafford, Lynn Weatherman, Linda Graham Leonard, and Judy Werner. Criteria for inclusion in this group of elite mares were established; some of the qualities desired included: having produced champion show horses and/or sons or daughters important in the breeding world; being prolific; and having representatives in the breed today. The first edition of the BHF was published in *The American Saddlebred* magazine, May/June 1986. New additions were published each year through 1990. Additional mares were inducted in 1993, 1994, 1998, 1999, 2002, 2003, 2004, 2005, 2006 and 2007. Five mares have been added for 2008; 2008 inductees are in boldfaced type.

In 2001, the ASHA Breeders' Committee recommended, and the Board of Directors approved, new criteria based on computer-generated data, not subjective selection, for inducting mares into the BHF. A mare must have produced a minimum of three offspring that have earned a combination of the following titles at KSF: three World's Champions; OR two World's Champions and one Reserve World's Champion; OR one World's Champion and two Reserve World's Champions. In any combination, the mare must have produced three different offspring, each of which must have won one of these titles. The titles are restricted to certain classes in the Five-Gaited, Three-Gaited and Fine Harness divisions (see class list on page 265). Also, for these classes to count toward BHF status for a mare, the same criteria apply as dictated by the Saddlebred

Record Champion program, i.e., at least six horses must have shown in a qualifying class and four horses in a championship class. In 2002, additional criteria for the recognition of dams of important sires were approved by the ASHA Board, allowing one of the following to replace one World's Champion or one Reserve World's Champion requirement: the mare produced one producer (dam) of a World's Champion, OR one sire of five World's Champions. Mare nominations to the Broodmare Hall of Fame may also be submitted to the Breeders' Committee for consideration. The World's Champion-producing daughter or son cannot be the same horse whose win is counted toward Broodmare Hall of Fame status.

Information in the following section includes:

A complete list of all Broodmare Hall of Fame mares, along with the names of their sires and dams, plus a list of their progeny. If the mare's name is followed by (KSF), please refer to either the Index of KSF Dams Under 40 (see page 357) or the Index of KSF Dams Over 40 (see page 447) for her list of progeny.
