

The United Saddlebred Association is pleased to offer all members an opportunity to advertise in the Year Book.

A full page colour advertisement (A4) is being offered at just £60 for members (£75 non-members). Yes that's right, just £60. A two-page advert can be taken out for only £100 (£130 non-members). Plus, we offer FREE layout and design, so all you need to do is give us a rough idea of what you want, any photos you want to use (with copyright permission of course) and we will do the rest for you.

The Year book is our biggest publication of the year and is a great place to advertise your business, horses for sale, stallions at stud, share your show ring success or simply to express your joy with your horse.

If you are interested in finding out more about this offer, please email me. Copy deadline is 1st December, but the sooner we have your advert the sooner we can get the right advert for you.

Members, don't forget to send us your news and photo's for the members pages - everyone's favourite section and totally dependent on you.

Our Annual General Meeting is fast approaching - 1st November at Monnington Court (Hereford), starting at 10am. This is preceded by the inaugural Monnington Saddlebred Sale on 31st October, again starting at 10am. News of both can be found online on our website: www.american-saddlebred.co.uk.
