SADDLEBRED SELECT RULES

General

1. Eligibility Requirements: To be eligible a horse must be registered with the American Saddlebred Registry or with the Half American Saddlebred Registry of America and must be competing in any divisions recognized by an approved Competitive Event; applicant or owner must be a current ASHA member.
2. Definition of Competitive Event: A Competitive Event is defined as an event administered by an organization regarded as the national or international sanctioning group for that equine activity, i.e., United States Equestrian Federation (USEF), Federation Equestre Internationale (FEI), United States Dressage Federation (USDF), United States Eventing Association (USEA), North American Trail Ride Conference (NATRC), American Endurance Ride Conference (AERC), American Driving Society (ADS), Carriage Association of America (CAA).
3. Accumulation of Points or Miles: Please refer to corresponding section for each discipline. Only those points or miles earned after January 1, 1990, will be counted for a Saddlebred Select Award.
4. Application: Application must be made on the proper form, be complete in every respect, and be accompanied by an application fee of \$25. Verified and signed competition results for the appropriate award must accompany application (see Verification of Results).
5. Verification of Results: Results of all competitions must accompany application. They must be verified and signed by the official competition secretary or other authorized person. Alternative methods are to send the score check report from the National Affiliate or send a copy of the test sheets with the results of the division and how many were in the division. ASR may check with sanctioning bodies for accuracy.
6. Drug and Other Rule Violations: If an owner or his agent has been found to have been in violation of the Drugs and Medication Rule at a specific horse show or event, no points will be earned by the horse in question for that event; no points will be earned by the horse in question for the entire horse show. Any other violations will be considered on an individual basis as adjudicated by the governing body of each discipline.

7. Award Levels:
Saddlebred Select, Bronze: 30 points 300 miles
Saddlebred Select, Silver: 60 points 600 miles
Saddlebred Select, Gold: 90 points 1,000 miles

- Points or miles are cumulative from one award level to the next, i.e., the 30 points earned for the Bronze are carried over for the Silver, and the 60 Bronze and Silver points are carried over for the Gold. These carryover points will be kept in the ASR office.
 - Multiple awards may be won by the same horse competing in separate divisional or disciplinary categories; for example, a horse could earn an eventing award and a dressage award. A separate application must be submitted for each award.
8. Recognition: Winners will receive a Saddlebred Select award certificate for each earned level of achievement. Levels of achievement will be noted in the horse's permanent ASR file.
 9. Duplicate Award Certificates: Additional award certificates will be issued for \$10 each.
