The Registry may issue a conditional registration number to the owner of an unregistered foal as identified on a properly completed registration application in the following circumstances. 1. When required parentage verification procedures to issue a permanent registration certificate are incomplete and; 2. Provided that such application with the correct fee has been submitted to the Registry and all other requirements for registration are met. ASR will not record any further transactions concerning this animal as long as the registration is conditional. Any owner who receives a conditional registration number under this rule shall indemnify and hold harmless the Registry, its officers, directors, agents, and employees from any claim, damage, loss or liability arising out of or resulting from the issuance of a conditional registration number.
