Rules and Requirements to participate in the Kentucky Breeders Incentive Program

In 2006, the Kentucky legislature passed a bill to encourage breeding horses of all breeds in Kentucky with the passage of the "Kentucky Breeders Incentive Fund." This fund takes a portion of the sales tax generated through stallion service fees and returns it to the breeders.

The Kentucky Saddlebred Owners and Breeders Association (KSOBA), a Charter Club of the American Saddlebred Horse Association, will be working closely with the Kentucky Racing Authority and Kentucky Equine Education Project (KEEP) on behalf of the American Saddlebred community in Kentucky.

The criteria for an American Saddlebred to be deemed "Kentucky-bred"

- **A horse registered by the American Saddlebred Registry (ASR)**
- **Foaled in Kentucky**
 - Recipient mares for embryo/oocyte transplants must foal in Kentucky
- **Sired by a stallion standing in Kentucky at the time of service**
 - Deceased stallions must have been standing in Kentucky at the time of death
 - Semen can be stored anywhere; however, the stallion must be standing in Kentucky
- **Bred by a resident of Kentucky (breeder is designated per ASR rules)**
 - The breeder is defined as the owner of the dam at the time of breeding
 - The owner of the dam at the time of breeding may assign his/her/its designation as breeder to any person or entity. The assignment must be in writing executed by the owner of the dam at the time of breeding and must be filed with the Registry along with the foal's Application for Registration.
 - If a mare is held under lease at the time of breeding and written notification of such lease (signed by lessor) is on file with the Registry at the time Application for Registration is made, the Certificate of Registration will show the lessee as the breeder.

Proposed distribution program for awarding funds

Kentucky-bred American Saddlebreds which are nominated and eligible to compete in the American Saddlebred 4-Year-Old Sweepstakes classes, will receive Kentucky Breeder Incentive Funds as added prize money to the top three highest placed Kentucky-breds in each division. Of the Kentucky Breeder Incentive money in each division, 70% will be awarded to the breeder and 30% to the stallion owner (at the time of service). There are four Sweepstakes classes held annually for 4-year-olds (Five Gaited, Three Gaited, Fine Harness and Park Pleasure), and allocated Kentucky Breeder Incentive Funds will be divided equally among the four divisions. The American Saddlebred Four-Year-Old Sweepstakes classes will be held at the World's Championship Horse Show in Louisville, Kentucky.

Kentucky-bred American Saddlebreds which are nominated and eligible to compete in the American Saddlebred National Futurity weanling class will receive Kentucky Breeder Incentive Funds as added prize money to the top three highest placed Kentucky-breds in each class. Of the Kentucky Breeder Incentive money in each class, 70% will be awarded to the breeder and 30% to the stallion owner (at the time of service). The American Saddlebred National Futurity weanling class will be held at the World's Championship Horse Show in Louisville, Kentucky.

Kentucky Saddlebred Owners and Breeders Association (KSOBA) membership requirements

To be eligible for the KY Breeders Incentive Funds, **membership in KSOBA will be required and must be active at the time of the competition(s). Membership year begins May 1 and expires April 30 the following year.**
